*All course registrations are on a first come first serve basis*

**Program Planning Form  
NEW STUDENTS  
Master of Education Program**

In order to ensure that you gain maximum benefit from your experiences in the Master of Education program, it is essential that careful and systematic program planning takes place on admission. To this end, you are required to meet with your Program Advisor before registration for the purpose of designing a suitable program of study.

Name:  Student Number:

Email Address:

To be completed in consultation with your Program Advisor.

Fall Term Course #	Year	Area of Study	Winter Term Course #	Year	Area of Study	Spring/Summer Term Course #	Year	Area of Study

Which are you planning to pursue? Please check the appropriate box.

- Project (EDUC 898)     Thesis (EDUC 899)     To be Decided

I understand that the courses listed above constitute an approved program of study for the M.Ed degree. I also understand that any changes in this list of courses should be discussed and approved by my Program Advisor and the Coordinator of Graduate Studies and Research in Education.
